

This is to certify that

Patrick McAllister

Has successfully completed a

UAS Operational Competency Assessment

*Conducted with: Multi-Rotor UAS
DJI Phantom 4*

This certificate is valid from the 15th of June 2022.

For operations conducted under the authority of a Part 102 certificated organisation:

- this certificate is valid for a period of 12 months and expires on the 15th of June 2023 unless otherwise provided by the organisation's Part 102 exposition;
- privileges that may be exercised by the pilot, including the aircraft that may be flown, are governed by the organisation's Part 102 exposition.

For operations conducted under Civil Aviation Rule Part 101 this qualification remains current for a period of 24 months, and may then be extended for further periods of 24 months on completion of a biennial flight test.

This certificate is awarded under the authority of the Part 141 Aviation Training Organisation certificate TR86491 issued by the New Zealand Civil Aviation Authority to Aviation Safety Management Systems Ltd.
